Total Test Cases - 10
Passed - 9
Failed - 1
Pass % - 90%

- Conclusion and Recommendations:

Pass Rate: 90% , Needs Improvement

Issues Found and its solution

1. **Enhanced Password Recovery**

Make the "Forgot Password" option more prominent and provide clear recovery instructions.

2. **Remember Me Option**

Provide a "Remember Me" checkbox (where appropriate) so users don't need to log in repeatedly on trusted devices.

3. **Add Password Visibility Toggle**

Ensure the eye icon is clearly visible and accessible to.
